Emily [3:45 PM]: Sarah, I need to talk. Something's going on with John and that new assistant Lisa

Sarah [3:46 PM]: What do you mean?

Emily [3:46 PM]: He's been "working late" almost every night this month

Emily [3:47 PM]: And every time I stop by the office, she's there too

Sarah [3:47 PM]: Maybe they really are just working? You know how John is with the business

Emily [3:48 PM]: No, it's different. She laughs at all his jokes, always touches his arm when they talk

Emily [3:48 PM]: And yesterday I saw them having lunch together at Carlo's

Sarah [3:49 PM]: That's their usual business lunch spot though, right?

Emily [3:50 PM]: But they were sitting on the same side of the booth, Sarah

Sarah [3:51 PM]: Oh... that is weird

Emily [3:51 PM]: I can't take this anymore

Emily [11:20 PM]: Just found Lisa's lipstick in his car

Sarah [11:21 PM]: Are you sure it's hers?

Emily [11:21 PM]: It's that expensive brand she always wears. I've seen it on her desk

Emily [11:22 PM]: I knew something was going on

Emily [11:23 PM]: If I find proof he's cheating with her, I swear I'll kill him

Sarah [11:25 PM]: Em, you're scaring me. Don't do anything crazy

Emily [11:26 PM]: I mean it. 20 years of marriage and he does THIS?

Sarah [11:27 PM]: Please calm down. Let's talk about this

Emily [11:28 PM]: I can't calm down. Not about this.

Emily [10:30 AM]: He's meeting her tonight. "Financial review" he says

Emily [10:30 AM]: At 11 PM? Really?

Sarah [10:31 AM]: Emily, please don't do anything you'll regret

Emily [10:32 AM]: He won't get away with this. I won't let him.

Sarah [10:33 AM]: What about the charity gala tonight? You're still going, right?

Emily [10:34 AM]: Yes. Perfect alibi, isn't it?

Sarah [10:35 AM]: That's not funny, Em

Emily [10:35 AM]: Wasn't trying to be.
